Roberts crush

Author's Notes:
Hi. It's my first Led Zeppelin fic. If you have time please leave a feedback or something, it will mean a lot for me.

"Hi!" I still hear it in my head. This word is repeating all the time. This word... It left Jimmys mouth about five minutes ago. He smiled to me. I blushed. I hope he didn't saw that.

"Hello" I responded. I'm in love with him for about two months, since I first met him. We talked about weather for six minutes. It was so boring!

He run his fingers through my hair and moved himself closer to me. I touched his shoulder. He whispered to my ear.

"So anyway, today I'm going out with this girl which I met yesterday"
